

Dear Team AP Wireless,

Your Senior Vice President of Acquisitions and Site Development, Lawrence Harvey, informed me that the wireless carriers on our site could terminate their leases at any time, and that selling our cell site rents to AP Wireless and getting a guaranteed payment would insure the City of Fort Wayne against this risk.

I am sure glad we sold! I just learned that one of the wireless carriers on our cell site did in fact terminate its lease, and am relieved to know AP Wireless absorbs this risk and our payment is guaranteed!

Thank you to Lawrence Harvey and your Team for all of your hard work on our transaction.

Best Regards,

Dear AP Wireless Team,

Four years ago, your Vice President of Acquisitions and Site Development, Lawrence Harvey, reminded me that the wireless carriers on my site could terminate their lease at any time. In order to mitigate the loss of those revenues, he proposed a sale of these rents to AP Wireless.

Since my sale, a number of clients have, in fact, terminated their leases. I am grateful that AP Wireless was willing to absorb the risk and guarantee my payment. My life was made simpler as a result when I was able to complete some pending projects here at home.

Thanks to Lawrence Harvey and your team for all the hard work.

Best Regards,

Thomas P. Garrison
